Dear Customers,

Re: Implementation of Port Congestion Surcharge (PCS) and Rate Restoration (RR) with effective from July 15, 2021

Please be informed that the Port Congestion Surcharge (PCS) for all outbound shipment ex Hong Kong and Rate Restoration (RR) ex S.China T/S via Hong Kong will be implemented with the following quantum with effect from July 15, 2021 based on vessel ETA:

PCS: USD50.00 per 20' & USD100.00 per 40' or 40' HQ ex Hong Kong

RR: USD50.00 per 20' & USD100.00/40' or 40' HQ ex S.China (except Shenzhen)

Remarks:

- (1) Above PCS and RR will be applied on top of current freight rate and other charges.
- (2) Above PCS will be collected from shipper for the export shipment regardless freight prepaid or freight collect terms.
- (3) Above RR will be collected from shipper or consignee according to the freight payment terms of the shipment.
- (4) The effective date will be based on vessel's ETA at port of loading with effective from July 15, 2021.

Thank you for your kind attention.

Yours faithfully,
